# About Us

# About Us

Mind Oasis Clinic is a specialized mental health clinic located in Strathfield, Sydney.

Our clinic was founded in 2020 by our Director & Consultant Psychiatrist Dr Charles Chan, a reputed psychiatrist with extensive experience in mental health.

We see people of all ages – children, adolescents, adults and older adults.

The mission of Mind Oasis Clinic is to provide holistic, person-centered and excellent mental health care to the community.

The objective of Mind Oasis is to bring together, under one roof, various mental health professionals, who could offer holistic and multidisciplinary care to patients.

We are one of a handful of clinics in Australia where such collaborative mental health care is provided.
